COMPREHENSION:

Read the texts then answer the questions:

I live in a new house. Downstairs, there's a living room, a kitchen and a bathroom. Upstairs there are two bedrooms. My parents have got a small bedroom, but my sister and I have got a big bedroom. The problem is that I hate our room. It's got pink furniture. You see, pink is my sister's favourite colour. We've got a pink desk, wardrobe and bookcase! I don't want a pink room. I want a colourful and modern bedroom. Angie, 13

Our new flat has got two bedrooms, a kitchen, a living room and a bathroom. My bedroom is quite small and all the furniture is old, so the room doesn't look nice. I just hate my orange bookcase and my brown desk. I want a modern bedroom with pink furniture.

Natasha, 14
