Text :

Last Summer our class decided to go on an activity holiday . We travelled by bus for five hours and arrived at the activity centre at night . We were all tired but very excited . The next day the activities started very early . In the morning we walked for two hours along the river . We watched animals and birds , and then we returned to the centre by bike . In the afternoon , I wanted to ride a horse and my best friend crossed the river in a canoe . We stayed at the centre for five days and I loved every minute .
