LOCAL BOY SAVES COUPLE FROM FLAMES

Winchester Fire Brigade buys young hero a new bike.

At half past three yesterday afternoon, 13-year-old Matt Mackensie, a pupil at Kings' school, was cycling home from school. He was going past Mr and Mrs Brown's house in Duke Avenue when he saw the smoke.

The young hero did not hesitate. He left his bike in the middle of the road and ran to the Browns' front door. Luckily, the door was open. Flames were coming out of the kitchen and Matt found Mr Brown, 85, who was trying to put out the flames.

Matt decided to ring The Fire Brigade so he dialled 999. Then Matt heard Mrs Brown, 83, who was calling for help from

her bedroom upstairs. She was an invalid. Matt went up and carried her downstairs.

When the fire brigade arrived, Matt was putting out the fire. "He is a very brave boy," said Mr Brown. "I'm sure he has saved my Wife's life."

However, Matt was surprised when he saw his bike under the fire-truck. "We didn't see his bike in the middle of the road," explained fireman Dave Waters, "and we ran over it!"

In the morning, the Winchester brigade gave the young hero a super new bike and Kings' School are going to offer Matt a new school uniform!
